

# Roger Pearson

Entrepreneur | Master Tax Advisor | IRS Enrolled Agent

For over the last two decades, I have watched hundreds of small business owners lose thousands of dollars needlessly. So I have made it my mission to provide entrepreneurs the knowledge to build a solid foundation under their business to keep more money in their pockets and give less to the government.

"Roger is very knowledge in his field and passionate about helping others!" - V is for Victory

"Roger is incredibly knowledgeable"  
- Unbound with Chris DuBois

## SUGGESTED INTERVIEW QUESTIONS:

- Why it is important to learn all of the various legal formats?
- How do you interview an accountant or tax professional before hiring them?
- How often and when should you meet with your accountant/tax professional?
- How do you use the tax laws to save you money?
- How do you organize your paperwork to increase your profits?
- How do people learn how to make estimated tax payments and why?
- How does having a proper business education prepare you for future opportunities?
